

## **Northwoods Elementary Recess in the Garden**

### **Garden Rules**

No running.

No climbing or standing on beds, structures or fences.

Produce must be rinsed with potable (drinkable) water before eating.

Cistern water is non-potable. Do not drink or use to wash hands or rinse produce.

### **How to water the garden**

Water the soil at the base of the plant, not the edible leaves.

Water slowly.

### **Before leaving...**

#### **Don't forget!**

Return cans, tools and gloves to proper places.

Ensure all faucets (both cistern and hoses) are in off position.

Ensure cistern pump is turned off.

Ensure tool shed doors are locked and key is returned to lock box.

Check that garden gates are closed and latched.
